

ORDINANCE NO. 354

TO LEVY TAXES FOR THE CITY TAX YEAR COMMENCING OCTOBER 1, 1946

connections within ten days after such notice, the city shall discontinue the water service or supply through the single connection; PROVIDED, however, that if the customer or user being first served or supplied from such single connection shall within such ten days disconnect the service or supply of water to any other customer or user so that he will be the only customer or user on such single connection, then such customer shall have his service or supply of water continue. That the notice herein prescribed shall be in writing, and it shall be sufficient for the city clerk to deliver the same to such customer or customers, or dispatch the same through the United States mail, postage prepaid, and addressed to such customer or customers.

Section 6: That the city shall furnish and install meters for measuring the water used or consumed by each customer, and shall make an account for the water used or consumed by each customer each month. All accounts for water shall be due on the first day each month. All accounts for water shall be due on the first day of the next succeeding month, and each customer paying his account on or before the 10th day of such succeeding month shall be granted or given a discount of ten (10%) per centum of the amount due for water used or consumed during the preceeding month; PROVIDED that no discount shall be granted or given on water used or consumed in excess of forty-six (46,000) gallons per month.

Section 7: That beginning with January 1st, 1947, all water used in erecting new buildings shall be metered and paid for at the usual rate as heretofore mentioned in this ordinance.

Section 8: That in the event any customer fails or refuses to pay his account for water used or consumed during any month, on or before the 20th day of the next succeeding month, the city shall have the right to discontinue supplying water to such customer

in the manufacturers' houses, such manufacturers constructing and maintaining the pipelines for such distribution, and consistently using 100,000 gallons or more per month, at \$25.00 for the 100,000 gallons and 20 cents for each additional 1,000 gallons per month.

Section 2. That the City of Roanoke, Alabama, may contract with any person, firm or corporation to supply such person, firm or corporation raw or unfinished water at such rate and charge as is reasonable, and that such person, firm, or corporation shall compensate the city for all costs and expenses of supplying such raw or unfinished water. All contracts now in force for supplying raw or unfinished water shall remain in full force and effect.

Section 3: That all connections with the city's water-mains or supplying or serving customers shall be made and paid for by such customers. That any prospective customer shall first apply to the city clerk for permission to connect such customer's premises with the city's water-main, and shall deposit with the city clerk the sum of THREE DOLLARS (\$3.00) as a deposit to guarantee payment of any water account that may accrue and remain unpaid by such customer; such deposit of \$3.00 to be refunded to such customer when water service is discontinued by such customer, provided all amount due the city for water is fully paid.

Section 4: That no two customers or users, or no two distinct premises shall be served or supplied water through a single connection with the city's water-main.

SECTION 5: That where two or more customers or users or two or more distinct premises are now served or supplied water through a single connection with the city's water-main, the city shall notify each such customer or user that a separate connection with the city's water-main for each such customer or user must be made, and in the event of failure or refusal by such customer or user to make such separate connection or

the work proposed to be done under said Improvement Ordinance No. 349, as amended and to commence work as soon as said superintendent and necessary material and equipment can be secured.

SECTION 4: That the Mayor is hereby authorized and directed to enter into an agreement with the W. A. Handley Manufacturing Company, a Corporation, for the mutual construction by said Company and the City of the work proposed to be done under said Improvement Ordinance No. 349, as amended.

Adopted and approved this the 9th day of July, 1946.
