IMPROVEMENT ORDINANCE NO. 366

AN ORDINANCE to provide for certain improvements on that portion of White Street, namely, that portion thereof commencing at a point 10 feet east of the center line of Peachtree Street and eastward from said point along said street a distance of 572 feet, and to repeal Subsection 11 of Improvement Ordinance No. 349, which was adopted and approved on June 10, 1946; and the same being in the City of Roanoke, Alabama, and to provide for the character and kind of improvements to be made and the method to be employed in paying for the same.

BE IT ORDAINED by the Council of the City of Roanoke, Alabama, Randolph County, as follows; towit:

That White Street be paved from a point 10 feet east of the center line of Peachtree Street eastward along said Street 572 feet a width of 30 feet throughout, that is to say 15 feet on each side of the center line thereof; and that curb and gutter be placed along each edge of said paving throughout its length;

THAT THE AFORESAID IMPROVEMENTS shall be made in accordance with the established grade provided for in Grade Ordinance No. 348, which said grade, together with map and profile are on file in the Office of the City Clerk of the City of Roanoke, Alabama,

All such improvements shall comply in full with the details, drawings, maps, plats, profiles, specifications and survey as have been submitted by Ladd Engineering Company, Consulting Engineers, and ratified and approved by the Council of the City of Roanoke, Alabama.

That the cost of constructions of said improvements shall be assessed against the property abutting on that part of said street so improved, provided (1) that the cost of said improvements shall be assessed against the lots or parcels of land abutting on said portion of said street for one half block in each direction; (2) that no assessment shall exceed the cost of such improvements, or the increased value of such property by reason of the special benefit derived from such improvements; (3) that the cost of all intersections on street crossing shall also be assessed against the property abutting as herein above provided for, and the same shall be distributed throughout the block or blocks so affected by such improvements.

That the aforesaid pavement shall be constructed of single botimompis surface treatment, together with a prime coat and plant mix seal coat that the aforesaid curb and gutter shall be constructed of Prtland Cement concrete; and in the construction of such improvement all necessary grading, base courses, sewer connections, alley entrances, culverts, piping drainage, and catch basins shall be constructed.

That the estimated cost of the aforesaid improvements, together with the maps, plats, blue prints, profiles, and specifications prepared by Ladd Engineering Company, Consulting Engineering Company, as already referred to, are on file in the Office of the Clerk of the City of Roanoke, Alabama, and open to inspection by the public.

The Council of the City of Roanoke, together with the Mayor,

will meet at the City Hall on Monday, the 13th day of October, 1947, at 7:30 P.M. to hear any objections, remonstrances, or protests that may be made against said improvements, the manner of making the same, the character of the materials to be used, or the method provided for the payment thereof.

Further, that Subsection 11 of Improvement Ordinance No. 349, which was adopted and approved on June 10th, 1946, and said subsection applying to White Street be and the same is hereby repealed.

That the City Clerk of the City of Roanoke, Alabama, is hereby ordered and directed to have this Ordinance published in The Roanoke Leader, a weekly newspaper published in said City, and in general circulation therein, for two consecutive weeks, and shall also give notice to each known owner by registered mail whose property is affected by said improvements, as the law provides in such cases.

This Ordinance shall take effect from and after its passage, approval, and publication as required by law.

Adopted and approved this the 8th day of September, 1947.
