Section 4. Optional Redemption of Callable Warrants. Those of the Warrants having stated maturities in 1988 shall be subject to redemption and payment by the City at its option on April 1, 1987, and on

any Interest Payment Date thereafter, at a Redemption Price with respect to each Warrant redeemed, equal to the following percentages of its face value:

- If the Redemption Date is in 1987, 102%;
- If the Redemption Date is in 1988, 101%; and
- If the Redemption Date is in 1989 or thereafter, 100%.

Any such redemption may be made as a whole or in part of the Warrants that are at the time outstanding (and if in part it shall be accomplished in the inverse numerical order of those of the Warrants at the time outstanding). Any such redemption shall be effected in the following manner:

(a) The City shall by resolution adopted by the Council call for redemption on a stated Interest Payment Date when they are by their terms subject to redemption Callable Warrants bearing stated numbers.

(b) The City shall cause to be published one time in a Newspaper published in Birmingham, Alabama, a notice stating the numbers of the Callable Warrants so called for redemption, and stating that the Callable Warrants bearing such numbers will become due and payable on a specified date (which shall be the Redemption Date fixed by the Resolution referred to in paragraph (a) of this section) at the Redemption Price (which shall be specified in the said notice), and that all interest on the Called Warrants will cease after the Redemption Date. Such notice shall be published not less than thirty days prior to the Redemption Date.

(c) On or prior to the Redemption Date, the City shall notify the bank at which the Warrants are payable of the City's compliance with the requirements of paragraphs (a) and (b) of this section and shall make available at the said bank the total Redemption Price of the Called Warrants.

Upon compliance by the City with the foregoing requirements on its part contained in this section, the Called Warrants shall become due and payable on the Redemption Date and at the Redemption Price, and interest thereon shall thereafter cease. Neither the City nor the bank at which the Warrants are payable shall be required to pay any Coupon maturing on the Redemption Date which is applicable to any Called Warrant unless the Called Warrant to which such Coupon is applicable is also presented for payment; provided, that in the event any such bank should pay any such Coupon

without payment of the applicable Called Warrant it shall not be liable to the Holder of such applicable Called Warrant or to the City or to anyone whomsoever; and provided, further, that the said bank shall pay such Coupon out of the moneys supplied to it by the City for that purpose if the Holder thereof shall present evidence satisfactory to the said bank that such Holder is the owner of the Coupon so presented and is not the owner of the Called Warrant to which such Coupon is applicable.

Section 5. Execution of the Warrants. The Mayor shall execute the Warrants in the name and behalf of the City by causing his signature to be reproduced thereon in facsimile; the official seal of the City shall be printed or otherwise reproduced thereon in facsimile; and the City Clerk shall cause the said execution and the said seal to be attested by manually subscribing his signature thereon. The Coupons shall be executed by a facsimile of the signature of the Mayor and shall be attested with a facsimile of the signature of the City Clerk provided in this section to be printed or otherwise reproduced in facsimile on the Coupons. The facsimiles of the signatures of the Mayor and the City Clerk provided in this section to be printed or otherwise reproduced shall be valid in all respects as if the City Clerk had manually signed each of the Warrants and as if the Mayor and the City Clerk had manually signed each of the Coupons. The facsimile of the official seal of the City provided in this section to be printed or otherwise reproduced shall be valid in all respects as if the official seal of the City were manually impressed on each of the Warrants. The Warrants and the Coupons shall be registered by the City Treasurer in the records maintained by him as a claim against the City, which registration shall be made simultaneously with respect to all of the Warrants and the Coupons. The said officers are hereby directed so to execute, seal, attest and register the Warrants and the Coupons.

Section 6. General Obligation. The Warrants shall be general obligations of the City and for the payment of the principal thereof and interest thereon the full faith and credit of the City are hereby irrevocably pledged.

Section 7. The Warrant Fund. There is hereby created a special fund of the City the full name of which shall be the "1982 General Obligation Warrant Fund" which is so created for the purpose of providing for payment of the Warrants and the Coupons and shall be maintained so long as any thereof remain unpaid. The City agrees that it will make or cause to be made the following payments into the Warrant Fund at the respective times hereunder stated:

- (1) There shall be paid into the Warrant Fund, contemporaneously with the issuance of the Warrants and out of the proceeds derived from the sale thereof, that portion of the said proceeds that may be referable to the accrued interest received by the City from such sale and to any premium received by the City.

(2) On or before the 25th day of September, 1982, and on or before the 25th day of each successive March and September thereafter so long as any of the Warrants or the Coupons remain unpaid, the City will pay or cause to be paid into the Warrant Fund such amount as, when added to the amount then in the Warrant Fund that is not needed to pay any Warrants or Coupons theretofore matured but not then paid, will equal the sum of (a) the principal (if any) maturing on the next ensuing Interest Payment Date plus (b) the interest maturing on the Warrants on the then next ensuing Interest Payment Date; provided, that following the payment into the Warrant Fund of any sum out of the proceeds from the sale of the Warrants pursuant to the provisions of paragraph (1) of this subsection, there shall be credited one time to the amount required in this paragraph (2) to be paid into the Warrant Fund the sum so paid into the Warrant Fund pursuant to the provisions of the said paragraph (1). The City will make the payments provided for in this paragraph (2) out of all general revenues of the City available therefor.

The moneys required in this section to be paid into the Warrant Fund shall be used only for payment of the principal of and interest on the Warrants at the respective maturities of such principal and interest; provided that if at the final maturity of the Warrants, however the same may mature, there shall be in the Warrant Fund moneys in excess of the amount required to retire the Warrants and the Coupons then remaining unpaid, then all such excess shall thereupon be returned to the City and may be used by it for any lawful purpose. When the amount of money on deposit in the Warrant Fund equals or exceeds the aggregate of the principal and interest to their respective maturities on the Warrants at the time outstanding, no further payments need be made into the Warrant Fund except to make good the moneys paid therein which may become lost or which may not be immediately available for withdrawal under the provisions of this section.

The Commercial Bank of Roanoke, Alabama, in Roanoke, Alabama, is hereby designated as the depository for the Warrant Fund. In the event that the said bank (or any successor depository for the Warrant Fund that may hereafter be designated as herein provided) should at any time decline to act as such depository, or should resign as such depository, or should cease to be a member of the Federal Deposit Insurance Corporation (or any agency which may succeed to its duties), or should cease to be duly qualified and doing business within the State of Alabama, then the Council shall by resolution designate a successor to such depository; provided, that any such successor depository shall be and remain a member of the Federal Deposit Insurance Corporation (or of any agency which may succeed to its duties) and shall be and remain duly qualified and doing business in the State of Alabama. The depository for the Warrant Fund shall at all times keep the moneys on deposit with it in the Warrant Fund continuously secured, for the benefit of the City and the Holders of the Warrants, either (1) by holding on deposit, as collateral security, United

States Securities or other marketable securities eligible as security for the deposit of trust funds, having a market value (exclusive of accrued interest) not less than the amount of moneys on deposit in the Warrant Fund, or (2) if the furnishing of security in the manner provided in this paragraph is not permitted by the applicable law and regulations, then in such manner as may be required or permitted by the applicable state and federal laws and regulations respecting the security for, or granting a preference in the case of, the deposit of trust funds; provided, that it shall not be necessary for the depository to secure any portion of the moneys on deposit in the Warrant Fund that is insured by the Federal Deposit Insurance Corporation or other agency of the United States of America that may succeed to its functions.

Section 8. Forms of the Warrants and the Coupons. The Warrants, the Coupons, and the provisions for the assignment thereof shall be in substantially the following forms, with appropriate insertions and variations therein to conform to the provisions hereof:
