

ORDINANCE NO. 262

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROANOKE, ALABAMA, as follows:

SECTION 1: That it shall be unlawful for any person, firm or corporation washing automobiles or other vehicles, in the City of Roanoke, Alabama, to cause, allow or permit the water used in so washing any automobile or other vehicle, to run, drain or flow onto the premises of another, or onto the surface of any street, sidewalk or alley of said City.

SECTION 2: That any person, firm or corporation washing automobiles or other vehicles, whether in connection with any other business or not, may connect their washing rack, basin or place of washing automobiles or other vehicles, with the City's sewer system for disposing of the water used in washing any such automobile or other vehicle, provided, however, that any such washing rack, basin or place of washing shall be so constructed and equipped that the water shall stand for settlement of dirt and/or other solid matter, and the floating and separation of oils and greases from the water, and after such settlement the water shall before entering the city's sewer system be strained through a drain equipped with sieve of which the mesh shall not be more coarse than 1/16 of an inch, so that only water, and matter already dissolved therein, shall enter the city's sewer system.

SECTION 3: That the owner or the operator of any washing rack, basin or other place of washing for automobiles or other vehicles which is connected with the city's sewer system shall periodically clean or cause to be cleaned the settling basin and the drain connecting with the city's sewer system, and remove all sediment, oils and greases accumulated therein, at such intervals as will prevent any sediment, oils, greases, or any solid matter from entering the city's sewer system, and it shall be unlawful for anyone to cause, allow or permit

any sediment, oils, greases or any solid matter accumulating in any such washing rack, basin or place of washing automobiles or other vehicles, to enter the city's sewer system.

SECTION 4: That anyone desiring to connect a washing rack, basin or other place of washing, for automobiles or other vehicles shall first notify the Superintendent of the city's water system, and the connection of any such washing rack, basin or other place of washing for automobiles or other vehicles, with the City's sewer system shall be made and done under the supervision of such superintendent of the city's water system, and all costs and expense of making such connection shall be paid by the person, firm or corporation making the connection.

SECTION 5: That anyone violating any of the provisions of this ordinance shall upon conviction therefor be punished by a fine not exceeding \$100.00.

SECTION 6: That if any section, or any part of any section, or any provision of this ordinance shall be declared unconstitutional, such unconstitutionality shall not affect or destroy any other section, part of section, or provision of this ordinance.

Adopted and approved this, the 26th day of October, 1934.

Attest: Ora E. Jones, Clerk,
City of Roanoke, Ala.

W. H. Mann, Mayor,
City of Roanoke, Ala.
